As we approach the 40th Anniversary of the David Foster Foundation, we are filled with tremendous gratitude. What began here in the beautiful city of Victoria has grown into something far greater than we ever imagined: communities of hope, compassion, and support for families facing some of the most challenging moments of their lives.

To return home to Victoria, the place where this Foundation's story began, is profoundly meaningful. From that very first pitch thrown in 1986, when friends gathered from far and wide, to 2012, when stars came together to celebrate another milestone anniversary — this city has always held a special place in our hearts.

Celebrating this 40th milestone surrounded by friends, family, and supporters who have shared the journey makes it all the more extraordinary.

Over the past four decades, families across Canada have been supported by the Foundation's mission. Each story reminds us why this work matters: the strength of family, the power of generosity, and the difference one act of kindness can make

This 40th Anniversary celebration is more than a milestone. It is a tribute to every family we have supported, every donor who believed, and to the city that gave this dream its start. We look forward to seeing Victoria come alive once again with the energy, music, and magic that have defined our journey for forty remarkable years.

We look forward to seeing you in Victoria, for your support, your energy, your music, and for the memories we will create together that will last a lifetime.

With great appreciation,

THE DAVID FOSTER FOUNDATION

By covering non-medical expenses such as travel, accommodation, and living costs, the Foundation allows families to focus on what matters most—the health and well-being of their child

The David Foster Foundation is dedicated to providing financial support to Canadian families with children in need of life-saving organ transplants. In addition to helping families with their non-medical expenses, the Foundation strives to increase public awareness and education about the importance of becoming a registered organ donor in Canada and the United States.

In 1986, David Foster established The David Foster Foundation, a non-profit charitable organization that assists children in need of major organ transplants, providing much-needed dollars in direct family support. In 2006, the Foundation became a national organization, expanding to help families across Canada. The Foundation works in collaboration with transplant teams across Canada to provide support for children under nineteen years of age, from the time they are listed for pediatric transplant until their post-operative checkups.

"The children are the real heroes. Their bravery is so inspiring."

David Foster is one of the most illustrious composers of our time. With 16 Grammy Awards, including three for Producer of the Year, an Emmy Award, a Golden Globe, and Three Oscar nominations for "Best Original Songs," David has earned a reputation as a keen spotter of new talent, playing a key role in the discovery and career launches of Celine Dion, Josh Groban, and Michael Bublé.

Few other individuals can claim to have their fingerprints on more major moments in all of popular music than David Foster. He has created hit songs for a diverse array of artists including Barbra Streisand, Celine Dion, Whitney Houston, Michael Jackson, Madonna, Andrea Bocelli, Michael Bublé, Josh Groban, Chicago, Rod Stewart, Stevie Wonder, Earth, Wind Fire, Tony Braxton, Natalie Cole, Michael Bolton, Seal, Chaka Khan, Kenny Rogers, Dolly Parton, Hall & Oates, Brandy, 'N Sync, Boz Scaggs, and Gloria Estefan.

In 2008 and 2011, David stepped out as a performer in his own right with *Hitman*, *David Foster and Friends* PBS specials which became PBS' highest-rated shows in decades. In 2018/19 David started touring with his show *An Intimate Evening with David Foster*. The shows garnered rave reviews and were so successful that he now devotes much of his time to selling out concerts around the world.

David recently wrote the music to the new musical about the iconic animated character *Betty Boop* which opened on Broadway in 2025 and is about to embark on a national US tour. In 2023 David released a Christmas album with Katharine McPhee, titled "Christmas Songs."

David has made charitable work his life's other priority. Meeting with a young girl from his hometown who was awaiting a liver transplant had a profound impact and led him to create The David Foster Foundation in 1986. Its mission is to provide financial support to Canadian families with children in need of live-saving organ transplants, and provide awareness and education of the need to become a registered organ donor.
